SECTION XI.

Government and the Commission :

(A) *Instances of Deviation from the Commission's advice* :—

1. G. O. Ms. No. 868, Public (Special-A), dated 23rd April 1986.

In May 1985, the Government sought the views of the Commission on the review petition of one Officer, formerly Revenue Divisional Officer, Mannargudi against the orders of the Government stopping his increment for one year without cumulative effect for having appointed an unqualified person as Village Headman in a village under his jurisdiction in preference to a fully qualified candidate. The Commission after going through the records of the case, viwed that the review petitioner had acted within the frame work of the relevant rules in the appointment of the Village Headman, that as required in the rules, he had clearly recorded the reason for appointing the unqualified hand in preference to a fully qualified hand, that no malafide intention could be attributed in this case and that the impugned appointment, though disapproved by the superior in the exercise of his prerogative judgment, was an act done in good faith. The Commission, therefore, advised the Government to set aside the order of penalty. But the Government took the view that where both were qualified candidates, the fact that one had some experience and one had not, would be a ground in favour of the candidate with experience, but where one was qualified and one was not, some previous experience of an unqualified candidate could not be considered superior to the qualification of a qualified candidate and that like wise the fact that one candidate had a boyish look, could hardly be the reason for overlooking him. The Government, therefore, passed orders in G.O. Ms. No. 868, Public (Special-A), dated 23rd April 1986 rejecting the review petition of the individual.

The orders issued by the Government are in violation of the convention established by the Government themselves that the recommendations of the Commission should ordinarily be accepted except where matters of policy are involved or where imperative reasons exist for not accepting them. Before issuing orders in deviation of the Commission's advice, the Government ought to have communicated their stand to the Commission and asked for its views on merits of the case. But the Government failed to do so.

2. *G.O. Ms. No.* 594, *Agriculture Department, dated* 31*st March* 1986.

The delinquent was formerly working as Manager (Feed and Technical) in the Tamil Nadu Poultry Development Corporation Limited, Madras during 1978. The then Managing Director of the Corporation requested the delinquent to conduct the stock verification of the Feed Mixing Unit, Tirupur. Accordingly the delinquent verified the stock of the Feed Mixing Unit of Tirupur on 14th August 1978 and found shortage of 50 kgs. of maize and 35 kgs. of Fish meal and reported the fact to the Managing Director. But on 17th June 1978 the Managing Director conducted surprise verification in the above said unit and found shortages of 3,281 kgs. of Maize and 133 kgs. of Fishmeal. Hence the Government directed the Managing Director of the Tamil Nadu Poultry Development Corporation to take disciplinary action against the delinquent. Accordingly the Managing Director, Tamil Nadu Poultry Development Corporation framed a charges against the delinquent under Rule 17-(*b*) of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules, obtained the explanation of the delinquent and forwarded the entire case to the Government. The Government nominated the Director of Animal Husbandry as the Enquiry Officer. The Director conducted a personal hearing when the delinquent gave written statement. The Director submitted her report to the Government holding only four charges as proved out of the eight charges framed against the delinquent. After going through the entire case, the Government for the proved charges, arrived at a provisional conclusion to remove the delinquent from service and directed the delinquent to show cause as to why the proposed penalty of removal from service should not be imposed on him. A copy of Enquiry Officer's report was sent along with the show cause notice. The delinquent submitted his explantion. In the explanation, the delinquent objected the charges framed against him and requested that he might be exonerated from those charges. The Government forwarded the papers to the Commission and sought for the views under Regulation 18 (1) (*b*) of the Tamil Nadu Public Commission Regulations, 1954.

The Commission, after carefully going through the records of the case held the charge No. 8 only as proved and observed that the punishment of removal from service would be quite disparoportionate for the proved charge. The Commission, therefore advised the Government that the punishment of stoppage of increment for a period of three months without cumulative effect might be imposed on the delinquent. But the Government deviated from the Commission's advice and issued orders straight away in G. O. Ms. No. 594, Agriculture Department, dated 31st March 1986 removing the delinquent from service.

The orders issued by the Government are in voilation of the convention established by the Government themselves that the re-commendation of the Commission should ordinarily be accepted except where matters of policy are involved or where imperative reasons exist for not accepting them. Before issuing such orders in deviation of the Commission's advice, the Government, ought to have communicated their stand to the Commission and asked for its views on merits of the case but the Government failed to do so.

3. *G. O. Ms. No.* 584, *Finance (Funds), dated* 17th *July* 1986 :

The petitioner failed to maintain certain Registers prescribed by the Department while working as Inspector, State Trading Schemes at Avinashi during 1978. The Assistant Chief Audit Officer, State Trading Scheme, Salem therefore framed a charge under Rule 17 of Tamil Nadu Civil Services (Classification Control and Appeal) Rules and called for his explanation. A form of questionnaire was also sent to the petitioner along with the charge memorandum. The petitioner submitted his explanation. He had pointed out in it that the questionnaire form was not received by him. The Assistant Chief Auditor, after considering the explanation and the representation of the petitioner, finally passed orders imposing on the petitioner, the penalty of stoppage of increment for six months without cumulative effect. Against those orders, the petitioner preferred an appeal to the Chief Auditor, State Trading Scheme, Madras, who dismissed it. The petitioner then preferred a petition to the Government. The Government in November 1983, sought the views of the Commission as to the orders to be passed on the petition.

It was found that in the charge memorandum issued to the petitioner no sub-rule of Rule 17 of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules had been mentioned and that only Rule 17 of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules had been mentioned. The Com-

mission, however did not consider it as a defect since the rules to not stipulate that the sub-rule of Rule 17 should be mentioned in the charge memorandum and the statutory requirement is that the procedure prescribed in sub-rule (*a*) of Rule 17 should be followed for imposing any of the minor penalties and that the procedure prescribed in sub-rule (*b*) of Rules 17 should be followed for imposing any of the major penalties. It was also seen that the petitioner pointed out that the questionnaire form had not been enclosed along with the charge memorandum and the disciplinary authority did not take any action to furnish a form of questionnaire to him. The Commission, however, considered that, in as much as the penalty imposed being a minor one, furnishing a questionnaire form (intended for imposing major penalties) was not at all, called for in the case. The Commission at length found that the penalty imposed being a minor one, reasonable opportunity had been afforded to the petitioner to explain, and therefore there was no procedural flaw in the case. The Commission offered its views on the merits of the case and advised the Government to dismiss the petition.

The Government, however, took the view that non-furnishing of questionnaire from to the petitioner and not mentioning of the sub-rule of Rule 17 of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules specifically in the charge memorandum would vitiate the disciplinary proceedings in the case and accordingly passed orders in G.O. Ms. No. 584, Finance (Funds), dated 17th July 1986, setting aside the order of penalty for those procedural defects noticed by them and directing initiation of fresh proceedings from the stage at which the defect had crept in.

The orders issued by the Government are in violation of the convention established by the Government themselves that the re-commendation of the Commission shall ordinarily be accepted except where matters of policy are involved or where imperative reasons exist for not accepting them. Before issuing orders in deviation of the Commission's advice, the Government ought to have communicated their stand to the Commission and asked for its views on merits of the case. But the Government have failed to do so.

4. *G. O. Ms. No.* 928, *Transport Department, dated* 5*th June* 198**6**

One individual was holding the post of Assistant Divisional Engineer (Highways) Rural Roads Sub Division, Theni from 8th July 1976. Disciplinary proceedings were instituted against him for the alleged misconduct with the Divisional Engineer, R. R. Division, Madurai, in subordination and indiscipline. After holding

129—122—3

the enquiry, the Enquiry Officer drew up his report. He held 3 out of 4 charges as proved and remitted the papers to the Chief Engineer, Highways and Rural Works. For the proved charges, the Chief Engineer recommended to the Government that the delinquent's seniority might be reduced by 5 places in the seniority list of Assistant Divisional Engineers. The delinquent was asked to show cause against imposition of the proposed penalty of reduction in the seniority list and the delinquent submitted his detailed representation. The Government sought for the Commission's views on the disciplinary case with reference to Regulation 18 (1) (*b*) of the Tamil Nadu Public Service Commission Regulations, 1954. The Commission, which examined the case carefully with reference to the relevant records observed that only one out of 5 witnesses cited by the delinquent was examined, that the delinquent was not informed of the reasons for not summoning other witnesses for oral enquiry and that a copy of Enquiry Officer's report was not also communicated to the delinquent along with the show cause notice containing the provisional conclusion. The Commission considered the above omissions as defective vitiating the case and hence advised the Government to set right the above defects and then to refer the case for its advice. But the Government, in deviation of the Commission's advice, issued orders in G.O. Ms. No. 928, Transport Department, dated 5th June 1986 imposing straightaway the penalty of stoppage of increment for six months wthout cumulative effect on the delinquent.

The Government have not taken into account the advice tendered by the Commission in this case. The Government, who held the charges proved against the delinquent, have observed that the incident occurred in December 1977, that it has been blown out of proportion and that there had been strained relations between the Divisional Engineer and Assistant Divisional Engineer. The Government have further observed that by the sheer pendency of this disciplinary proceedings, for eight years, the Assistant Divisional Engineer has lost several chances of promotion and more than 50 of his juniors have been promoted, They have therefore considered that the earlier punishment proposed viz., "Reduction in Rank" is too heavy.

The orders issued by the Government are in violation of the convention established by the Government themselves that the recommendations of the Commission shall ordinarily be accepted except where matters of policy are involved or where imperative reasons exist for not accepting them. Before issuing orders no deviation to the Commission's advice, the Government ought to have communicated their stand to the Commission and aksed for its views on merits of the case. But the Government have failed to do so.

5. *G. O. Ms. No.* 1769, *Home Department, dated* 11*th July* 1986.

In June 1984, the Government in the Home Department sought the Commission's views on the disciplinary action taken against one individual formerly working as Deputy Superintendent of Police, Virudhachalam sub-division during the period from 8th May 1978 to 25th February 1979. Charges have been framed against him under Rule 17 (*b*) of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules for his act of removing certain components from a seized car TMZ 6793 and fitted them to his own car and also for misusing the Government vehicle by abusing his powers as Deputy Superintendent of Police.. The delinquent submitted his explanation. An enquiry was held in the case when the Prosecution witnesses and Defence Witnesses were examined. The Enquiry Officer drew up his report holding charge-I as not proved and charge-2 alone as proved.

The Commission, which examined the case carefully while agreeing with the findings of the Enquiry Officer, felt that a punishment of stoppage of increment for three months without cumulative effect would meet the ends of justice. The Commission, therefore, advised the Government that the punishment of stoppage of inclrement for a period of three months without cumulative effect be imposed on the delinquent.

The Government, which examined the case observed that the delinquent has abused his power in a criminal case which is out of his jurisdiction and it should be viewed in proper perspective to assess the quantum of punishment, that in fact, abusing the power by a Police Officer when he has no jurisdiction, is a serious matter and that the ends of justice would be met out if a severe punishment was awarded. The Government therefore, in deviation to the Commission's advise issued orders in G. O. Ms. No. 1769, Home Department, dated 11th July 1986 reducing the pay of the delinquent by two stages for 3 years without cumulative effect for the proved charge.

The orders issued by the Government are in violation of the convention established by the Government themselves that the recommendation of the Commission shall ordinarily be accepted except where matters of policy are involved or where imperative reasons exist for not accepting them. Before issuing such orders in deviation of the Commission's advice the Government ought to have communicated their stand to the Commission and asked for its views on the merits of the case But the Government have failed to do so,

6. *G. O. Ms. No.* 1258, *Industries* (E1), *dated 25th November* 1980.

In May 1985, the Government sought the views of the Commission under Regulation 18(1)(b) of the Tamil Nadu Public Service Commission Regulations, 1954 as to the orders to be passed on the disciplinary action taken against a former Supetintendent, General Purpose Engineering Workshop, Veerakeralampudur. He was charge sheeted on 2 counts under Rule 17(b) of the Tamil Nadu Civil Services (Classification Control and Appeal) Rules (i) for his unauthorised absence from duty from 2nd September 1979 onwards which resulted in dislocation of the day-to-day affairs of the unit and (ii) for the unauthorised drawal of his pay for the month of September 1979 misusing his official powers as a self drawing officer. The delingquent subm itted his written statement of defence and all the required formalities had been followed in the case before coming to a provisional conclusion by the Government.

The Commission, which examined the case with reference to the relevant records observed that the first charge viz., unauthorised absence from duty from 2nd September 1979 stood proved beyond doubt and in respect of the second charge viz., unauthorised drawal of pay and allowances for the period of unauthorised absence, as the delinquent in self drawing status took advantage of the dubious nature of G. O. Ms. No. 278, Finance (Treasuries and Accounts) Department, dated 30th March 1978 which permit the Government Servants who go on leave during the course of a month, to draw the pay for the entire month pending regularisation of the leave,the benefit of doubt might be given to him. The Commission was therefore of the view that in to the delinquent was found guilty of the first charge and could be exonerated of the second charge. For the proved charge, the Commission considered that the punishment of removal from service, as recommended by the Director of Industries and commerce was too harsh and excessive. The Commission, therefore advised the Government that the delinquent be awarded the punishment of compulsory Retirement so that he would not be denied the retirement benefits. But the Government have stated that they have examined the case in detail independently and considered that a more drastic punishment was warranted in this case. They have, therefore, issued orders in G.O. Ms. No. 1258(Industries-E1), dated 25th November 1986 removing the delinquent from service in deviation of the Commission's advice. The Government have stated in the G. O. that the action of the delinquent officer in drawing the pay and allowances for the month of September 1979 without sanctioning leave for many days of absence during that month without any valid reason is a criminal breach of trust and that non-submissional of leave application out of mental anxiety, personal worries, etc. and unauthorised drawal of pay and allowances warrent deterrent punishment.

The orders issued by the Government are in violation of the convention established by the Government themselves that the recommendation of the Commission shall ordinarily be accepted except where matters of policy are involved or where imperative reasons exist for not accepting them. Before issuing orders in deviation of the Commission's advice, the Government ought to have communicated their stand to the Commission and asked for its views on merits of the case, but the Government have failed to do so.

7. *G. O. Ms. No.* 1726, *Home, dated* 8*th July* 1986.

In November 1982, the Government estimated 17 vacancies in the post of Personal Assistant (Administration) in the Police Department in the Tamil Nadu General Service to be filled by recruitment by transfer for the year 1982—83. In July 1982, the Director General of Police sent proposals which contained 18 recommended cases and 4 not recommended cases. The Commission, in January 1986, finalised the selection of candidates for appointment by recruitment by transfer as Personal Assistant (Administration) in the Police Department in the Tamil Nadu General Service for the year 1982—83. In that selection, the Commission found 18 Officers 'Fit' and 4 Officers Not Yet First for appointment to the post and accordingly sent its recommendations to the Government. The Government in their G. O. Ms. No. 1726,Home, dated 8th July 1986 issued orders approving the list of officers fit for appointment to the post.

In that list, the name of a candidate who had not been recommended by the Director General of Police and who had been found 'Not Yet Fit' by the Commission for appointment to the post for the year 1982—83, had been included by the Government. The Government stated that the candidate acted as temporary Personal Assistant (Administration) for a short period and retired from service as Personal Assistant and that his name had been included in the panel thought the Commission had not recommended his name. The Government did not consult the Commission before the inclusion of his name in the approved list. The Government deviating from the recommendations of the Commission, issued orders including the name of an officer who had been found 'Not Yet Fit' by the head of department and the Commission for appointment to the post. Further, if the Government wanted to deviate from the Commission's views they should have asked the Commission to reconsider the case giving their opinion. The Government had not done this and they had straightaway included his name in the panel.

The Government were requested to state the reason for not consulting the Commission before including the name in the panel for the year 1982-83. The Government, in reply, stated that the officer was temporarily appointed as Personal Assistant pending recommendation of the Commission for appointment to the post and that he served as temporary Personal Assistant for *a week* from 24th June 1983 and retired on 30th June 1983. The Government added that as he had actually served as Personal Assistant, his name was included in the panel.

The Government did not give any reason for not asking the Commission to reconsider its views in regard to the suitability of the officer for appointment as Personal Assistant. Because, he had acted as temporary Personal Assistant for a week, they had straightaway included his name in the approved list.

The deviation by the Government from the Commission's advice was violation of the convention established by the Government themselves that the advice of the Commission should be accepted in all cases except where matter of policy is involved or where imperative reasons existed for not accepting the Commission's advice. This was not a case in which either a matter of policy involvement or any imperative reasons existed for not accepting the Commission's advice.

8. REGULAR APPOINTMENT OF ASSISTANT IN TAMIL NADU SECRETARIAT SERVICE PROHIBITION AND EXCISE DEPARTMENT, GOVERNMENT OF TAMIL NADU.

The Government had requested the Commission to accord concurrence under the latter part of Regulation, 16(*b*) of the Tamil Nadu Public Service Commission Regulations, 1954 for appointment as Junior Assistant in Favour of the son of a voluntarily retired Deputy Secretary to Government. The Deputy Secretary had retired voluntarily from service consequent to a paralytic stroke. His son was appointed as Junior Assistant on a temporary basis with effect from 7th May 1983 forenoon in the prohibition and Excise Department. The Commission after examining the proposal had deceined to accord its concurrence for the regular appointment of the said person on the ground that the concession granted for employment opportunity would apply to the dependants of the Government Servants who retire from service on medical invalidation only and that as the candidate's father had obtained voluntary retirement, there was no provision in the rules to regularise the temporary services of the Junior Assistant.

The Government, after examining the case and considering the exemplary services rendered to the Government by the father of the candidate and of his present health condition and the financial position of his family, had ordered to regularise the temporary services of his son as Junior Assistant in the Prohibition and Excise Department deviating from the advice of the Tamil Nadu Public Service Commission. Thus the general principle for appointment under Compassinate grounds was deviated by the Government.

9. JUNIOR ASSISTANT IN TAMIL NADU MINISTERIAL SERVICE REGULAR APPOINTMENT.

The Government had requested the Commission to accord concurrence under the latter part of Regulation 16(*b*) of the Tamil Nadu Public Service Commission Regulations, 1954, for the regular appointment of a physically handicapped daughter of a Middle School Teacher as Junior Assistant in the Tamil Nadu Ministerial Service. After examining the proposal, the Commission declined to accord its concurrence, on the ground that the concession for appointment under compassionate grounds was applicable only to the dependants of the deceased Government servants and that her physical handicap cannot be considered as a sufficient reason as thousands of physically handicapped persons are without employment. The Commission had suggested that she could compete for the direct recruitment, as age and fee concessions were granted for the physically handicapped persons.

The Government after examining the case and deviating from the views of the Commission, had ordered to appoint her as Junior Assistant on a regular basis in Tamil Nadu Ministerial Service, considering her physical handicap and also of the indigent circumstances of her family as a special case with instructions not to quote this case as precedent in future. By this order, the principle laid for appointments on compassionate grounds had been deviated.

(B). NON-CONSULTATION WITH THE COMMISSION IN CERTAIN MATTERS—

1. *G.O.Ms. No.* 2719, *Home* (*Police-V*), *dated* 23rd *October* 1982.

The Government in the Home department forwarded draft amendments to the Special Rules for the Tamil Nadu Fire Service proposing to prescribe Divisional Fire Officer's Course at the National Fire Service College, Nagpur as a pre-requisite qualification *only for promotion* to the post of Deputy Direct r of Fire Service. The Commission offered its remarks on the draft amendments. But in the amendments issued in

G. O. Ms. No. 2719, Home (Police-V), dated 23rd October 1982, the said training course was prescribed as one of the qualifications for appointment to the post of Deputy Director of Fire Service by direct recruitment and by recruitment by transfer also. Since the said post is within the Commission's pureview the Commission should have been consulted before issuing the said amendment prescribing Divisional Fire Officer's Course as one of the qualifications for appointment to the post of Deputy Director of Fire Service by direct recruitment and by recruitment by transfer with reference tothe provisionscontained in Article 320(3) of the Constitution of India. The Government were, therefore, asked to state the circumstahces under which the Commission was not consulted before introducing the said qualification. The Government, in reply stated that the omission to consult the Commission was not intentional and that it was considered that even for direct recruits, the Divisional Fire Officer's Course could be prescribed, as a persor with 10 year service in recognised Fire Service could get admission in the National Fire Service College, Nagpur and undergo the said course. The Govern ment assured that the Tamil Nadu Public Service Commission will be consulted in such cases in future. Thisis a case of violation of the Government's own instructions issued in this regard. The Commission trusts that such omissions will not recur.

2. *G. O. Ms. No.* 1096, *Public Works, dated 24th April* 1986.

In G. O. Ms. No. 1096, Public Works, dated 24th April 1986 the Government ordered deletion of the provision of upper age limit of fifty five years for promotion of Executive Engineer as Superintending Engineer and Executive Engineer (Mechanical) as Superintending Engineer (Mechanical) in the Tamil Nadu Engineering Service. As the post of Superintending Engineer, being in State Service, falls within the Commission's purview, consultation with the Commission is necessary before arriving at a decision on the principles to be followed in making appointment as required by Article 320 (3) of the Constitution of India. The Government did not consult the Commission before the issue of orders deleting the above provision. The Government were, therefore requested to state the reason for not consulting the Commission before the issue of the said orders. In reply, the Government statef thad the rules governing the posts of Superintending Engineers in certain Boards and Highways and Rural Works Department did not contain any age restriction for promotion of Executive Engineer as Superintending Engineer, that there was no specail reason for inserting on 55 years which gave a feeling of discrimination to the Executive Engineers who had crossed 55 years of age and still physicaly fit to man the posts of Superintending Engineer. tha to avoid the above discrimination, the Government

decided to remove the age restriction for promotion as Superintending Enginneer, that there were a number of vacancies in the category of Superintending Engineers in the Public Works Department to be filled up and therefore orders were issued urgently removing the age restriction and that there was no intention to by pass the Tamil Nadu Public Service Commission and all that was done was as a result of urgency involved. The Government regretted for the omission to consult the Commission and assured to guard against such omissions in future. The Commission trusts that such omissions will not recur.

3. *G. O. Ms. No.* 842, *Labour, dated* 5th *May* 1986.

In G. O. Ms. No. 842, Labour, dated 5th May 1986 the Government issued orders prescribing certain conditions for appointment (i. e. deletion of qualification and prescription of fresh qualification) to the post of Specialist in Business Management in the Tamil Nadu Institute of Labour Studies, now re-designated as Deputy Director (Factories) without consulting the Commission. The post, being included in the Tamil Nadu State Service, is within the Commission's purview. According to the provision in Article 320(3) of the constitution of India, the Commission should have been consulted before the above said conditions were prescribed. The Government were, therefore, requested to state the reason for not consulting the Commission before issuing the above said orders. The Government stated that the omission pointed out by the Commission was not intentional, that it had occurred inadvertantly and that in all such cases, the Tamil Nadu Public Service Commission will be consulted invariably in future. This is a case of violation of the Government's own instructions issued in this regard. The Commission trusts that such omissions will not recur.

4. *G. O. Ms. No.* 2666, *Home, dated* 10*th November* 1985.

In G. O. Ms. No. 714, Home, dated 17th March 1979, the post of Deputy Superintendent of Police/Inspector of Arms attached to the office of the Deputy Inspector-General of Police, Railways and Armed Police was re-designated as Deputy Superintendent of Police, Small Arms. In G. O. Ms. No. 941, Home, dated 26th March 1980, the post of Deputy Superintendent of Police (Category-3) itself was re-designated as Assistant Commandant. In order to give statutory effect to these orders, draft amendments to the Special Rules for the Tamil Nadu Police Service were forwarded to the Commission for its remarks. In draft Notification I, draft amendments relating to the inclusion of the post of Deputy Superintendent of

129—122—4

Police 'Small Arms' were proposed with retrospective effect from 17th March 1979 and in draft Notification II, draft amendments relating to the redesignation of the post of Deputy Superintendent of Police, Small Arms as Assistant Commandant (Small Arms) were proposed with retrospective effect from 26th March 1980. The Commission's views on the those draft amendments were communicated to the Government. In G O. Ms. No. 2666, Home, dated 10th November 1985, amendments to the Special Rules for the Tamil Nadu Police Service were issued with retrospective effect from 26th March 1980 including the post of Assistant Commandant, Small Arms (Formerely) Deputy Superintendent of Police, Small Arms) as a distinct caregory (Category-3A). The Commission should have been consulted before the issue of the said amendments as the method of appointment to the new category etc., has been included in the amendment. Further, amendment to the Special Rules for the Tamil Nadu Police Service to cover the redesignation ordered in G. O. Ms. No. 714, Home, dated 17th March 1979 had not been issued,

As the amendments issued in G. O. Ms. No. 2666, Home, dated 10th November 1985 were neither the same as the draft amendment sent to the Commission nor as suggested by the Commission, the Government were resquested to State the circumstances in stated that the proposed amendment related only which the amendments as aforesaid were issued. In reply the Government to the redesignation of the post and since the Commission had already offered no remarks relating to Notification-II, amendments to the Special Rules were issued after due consultation with the Personnel and Administrative Reforms and Law Departments.

Thereafter, the Government were enquired whether the post of Inspector of Arms was governed by any rules prior to 26th March 1980 and they were requested to send a copy of the Government Order in which the *ad-hoc* rules/amendments to special rules were issued. It was also pointed out to the Government that a comparison of the amendments to the rules already proposed and now issued would reveal that the method of appointment to the post of Assistant Commandant (Small Arms) had been changed in as much as persons with specific training are to be appointed and teyh were requested to state the circumstances in which the amendments were issued without consulting the Commission.

In reply, the Government stated that the post of Inspector of Arms was not governed by any *adhoc*/special Rules prior to 26th March 19×0 and that it was considered that *adhoc* rules for the said post need not be framed as the Inspector-General of Police had informed the Government that there was no need for framing of *adhoc* rulse

They further stated that the post of Deputy Superintendent of Police (Category-3) was redesignated as Assistant Commandant in G. O. Ms. No. 941, Home, dated 26th March 1980. Hence, the post of Deputy Superintendent of Police (Small Arms) was redesignated as Assistant Commandant (Small Arms) and amendments to the Special Rules issued with retrospective effect from 26th March 1980. As the post of Assistant Commandant (Small Arms) had been brought as a distinct category in the Tamil Nadu Police Service and the method of appointment to that post had been prescribed with certain specific qualifications. these changed were brought out by the Director-General of Police only after the views of the Commission were obtained on the original proposal.

The contention of the Director General of Police and Government that there was no need to frame *adhoc*/Special rules for a post, as the incumbents of the post are not longer in services is not correct. A post created with different nomenclature should at least be declared as a temporary addition to the corresponding permanent post (with some other designation).

The omission to consult the Commission before issuing the modified amendments to the rules was also not correct.

The views of the Commission should have been obtained before modifying the method of appointment.

This is a case of violation of the Government's own instructions that the Commission should be consulted before issuing amendments. The Commission trusts that such omissions will not recur.

5. *G. O. Ms. No.* 2376, *Social Welfare, dated* 27th *October* 1984.

In G. O. Ms. No. 1466, Social Welfare, dated 20th May 1982, the Government issued orders upgrading the post of District Social Welfare Officer from the scale of pay of Rs. 600-30-750-35-890-40—1,050 to the scale of pay of Rs. 750-50-1,350 (prerevised scale). They also ordered that 50per cent of the posts be filled up by direct recruitment through Tamil Nadu Public Service Commission and the rest by promotion from among the officers in the scale of pay of Rs. 600-1,050 In G. O. Ms. No. 2376, Social Welfare, dated 27th October 1984, the Government issued orders to the effect that 40 % of the upgraded posts of District Social Welfare Officer be filled up by direct recruitment and 60 % of the posts be filled up by promotion based on seniority, qualification and merit in the Department of Social Welfare and also ordered that direct recruitment be made through the Employment Exchange or from the open market. The Government have thus excluded the posts of District Social Welfare Officers from the

purview of the Tamil Nadu Public Service Commission for the purpose of Direct recruitment and proposed to fill up the posts by constituting a selection committee. In July 1986 the Government sought for the Commission's views on their proposal for the exclusion of the posts of District Social Welfare Officers from the Commission's purview for the pupose of direct recruitment with effect from 27th October 1984, the date of issue of G. O. Ms. No. 2376, Social Welfare dated 27th October 1984. *Ad-hoc* rules governing the post of District Social Welfare Officer were issued in G. O. Ms. No. 393, Social Welfare dated 28th June 1978 with retrospective effect from 1973. The post having been included in the State Service automatically fell within the Commission's purview. But so far, the Commission had not been requested to make selection for appointment to the post either by direct recruitment or by recruitment by transfer. In G. O. Ms. No. 1466, Social Welfare dated 20th May 1982 and G. O. Ms. No. 2376, Social Welfare, dated 27th October 1984, the Government issued orders, without consulting the Commission, prescribing the procedure to be followed in filling up the posts. Under Articles 320 (3) of the constitution of India, the Commission should have been consulted before issuing those orders. According to the orders issued in U. O. Note No. 4020/54-2, Public (Services), dated 11th September 1954, the Commission should be consulted before taking a policy decision in the matter of appointment. The Government were therefore, requested to state the reason for not consulting the Commission before issuing the above said Government orders affecting the method of appointment to the post. The Government stated that it was an omission to consult the Commission before the issue of orders and also stated that such omission would not recur. This is a case of violation of the Government's own instructions issued in this regard The Commission trusts that such omission will not recur.

ACKNOWLEDGEMENTS.

The Commission records its appreciation of the willing co-operation extended by various Trusts, Educational Institutions and their officers in the matter of providing suitable accommodation for the various examinations held by the Commission.

The Commission is also grateful to the examiners and expert adviser's who in spite of their personal inconvenience readily accepted the Commission's invitations and assisted it in the conduct of different examinations and selections of officers to the various posts under the State Government.

Finally, the Commission places on record its appreciation of the loyal and efficient service rendered by its staff throughout the year.
